

Name: _____ Date: _____

7. Our Environment

Find a before picture of an environmental problem. You may paste a picture here or sketch your own version from an internet image of a healthy environment or ecosystem.

Now **draw** an after picture showing the results of an unhealthy environment or ecosystem.

Spot the Differences – **record** the observations and then answer these questions:

1. What is being done about repairing the damage by:
 - a. The local community –
 - b. The government –
 - c. Environmental agencies –

Title: Making Decisions: *Cause and Effect*
